Partners in Education

Part of our mission at Grace Fellowship Academy is to partner with families as we educate students with whom we have entrusted. Families are needed in the partnering process in order for GFA to function at a high level of efficiency. Although we realize that many families in the school are already volunteering and assisting in their children's education, we need every family to assist in this effort.

Along with the payment of tuition, we ask that each K-8 GFA family volunteer 10 hours per semester. These hours can be used in classroom assistance, special projects, fundraisers, cleaning, etc. Any unfulfilled hours will be billed at a rate of \$10/hr at the end of each semester.
